

Don T. Oglesby

Don Oglesby serves on the faculty of the Frost School of Music, University of Miami. Don currently serves on the Editorial Board of the ACDA Choral Journal and is Chair of the Research and Publications Committee of ACDA. He has held numerous leadership positions with ACDA and other professional associations. Dr. Oglesby is well known for his work on Baroque music, particularly that of J.S. Bach. His publications include *Bach Cantata Data Base, Score Preparation: A Study Guide for Conducting Students*, and *A Guide to the Bach Cantatas*.

On Friday of the Fall Conference, Dr. Oglesby will present a session involving technology and how it affects and can improve our daily lives as professional musicians. Don't miss this informative and exciting session.
